

CALENDAR OF REGULAR REVISIONS, 2023

No.	Short name	Statistical survey	Reason for data revision	Period when statistical data become final
1	VIT.1	Statistical survey on births	Additionally received data	t+6 months
2	VIT.2	Statistical survey on deaths	Additionally received data	t+6 months
3	SB.1	Statistical survey on marriages	Additionally received data	t+6 months
4	RB.1	Statistical survey on divorces	Additionally received data	t+6 months
5	BDP.PP	Gross domestic product by production approach, at constant prices, at annual level	Additionally received data	t+21 months
6	BDP.PT	Gross domestic product by production approach, at current prices, at annual level	Additionally received data	t+21 months
7	BDP.TP	Gross domestic product by expenditure approach, at constant prices, at annual level	Additionally received data	t+21 months
8	BDP.TT	Gross domestic product by expenditure approach, at current prices, at annual level	Additionally received data	t+21 months
9	ZALIH	Statistical survey on changes in inventories (at annual level)	Additionally received data	t+21 months
10	INV.OS	Statistical survey on gross capital formation	Additionally received data	t+21 months
11	FP.DOM	Statistical survey on final household consumption, at annual level	Additionally received data	t+21 months
12	BDP.PP.3	Gross domestic product by production approach, at constant prices, at quarterly level	Additionally received data	t+23 months
13	BDP.PT.3	Gross domestic product by production approach, at current prices, at quarterly level	Additionally received data	t+23 months
14	BDP.TP.3	Gross domestic product by expenditure approach, at constant prices, at quarterly level	Additionally received data	t+23 months
15	BDP.TT.3	Gross domestic product by expenditure approach, at current prices, at quarterly level	Additionally received data	t+23 months
16	FJP.3	Statistical survey on government final consumption, at quarterly level	Additionally received data	t+23 months
17	TRG.1	Statistical survey on trade	Additionally received data	t+3 months
18	ENE.51	Statistical survey on hydro and solar power plants (annual)	Additionally received data	t+22 months
19	ENE.52	Statistical survey on thermal power plants (annual)	Additionally received data	t+22 months
20	ENE.53	Statistical survey on autoproducer thermal power plants and CHP plants (annual)	Additionally received data	t+22 months
21	ENE.54	Statistical survey on business entities - operators of electricity transmission	Additionally received data	t+22 months
22	ENE.56	Statistical survey on business entities - producers and distributors of heat (annual)	Additionally received data	t+22 months

CALENDAR OF REGULAR REVISIONS, 2023

No.	Short name	Statistical survey	Reason for data revision	Period when statistical data become final
23	ENE.57	Statistical survey on heating plants (annual)	Additionally received data	t+22 months
24	ENE.58	Statistical survey on business entities operating with geothermal water/energy (annual)	Additionally received data	t+22 months
25	ENE.59	Statistical survey on business entities - producers and manufacturers of coal and coal products (annual)	Additionally received data	t+22 months
26	ENE.62	Statistical survey on business entities - traders with energy commodities (annual)	Additionally received data	t+22 months
27	ENE.63	Statistical survey on consumption of energy commodities and types of energy in business entities (annual)	Additionally received data	t+22 months
28	ENE.65	Statistical survey on electricity (annual)	Additionally received data	t+22 months
29	ENE.1	Statistical survey on hydro power plants (monthly)	Additionally received data	t+22 months
30	ENE.2	Statistical survey on thermal power plants (monthly)	Additionally received data	t+22 months
31	ENE.3	Statistical survey on autoproducer thermal power plants and CHP plants (monthly)	Additionally received data	t+22 months
32	ENE.6	Statistical survey on business entities - producers and distributors of heat (monthly)	Additionally received data	t+22 months
33	ENE.8	Statistical survey on business entities operating with geothermal water/energy (monthly)	Additionally received data	t+22 months
34	ENE.9	Statistical survey on business entities - producers and manufacturers of coal and coal products (monthly)	Additionally received data	t+22 months
35	ENE.11	Statistical survey on distributors of natural gas (annual)	Additionally received data	t+22 months
36	ENE.12	Statistical survey on business entities - traders with energy commodities (monthly)	Additionally received data	t+22 months
37	ENE.13	Statistical survey on consumption of energy commodities and types of energy in business entities (monthly)	Additionally received data	t+22 months
38	ENE.15	Statistical survey on electricity (monthly)	Additionally received data	t+22 months
39	NT	Statistical survey on external trade	Additionally received data	t+16months
40	SBR	Number of active business entities	Additionally received data	T+14 months
41	SBS	Structural Business Statistics	Additionally received data	T+18 months
